

Next Level PRIME FAQ

You now have access to healthcare providers 7 days per week at no cost to you!

- 24/7 Care Navigators who can answer health questions.
- 24/7 Telemedicine availability
- Primary Care appointments for Diabetes, Hypertension, High Cholesterol and all other chronic health problems 7 days per week 9am-9pm
- Urgent Care access 7 days per week 9am-9pm
- Quick and Easy Annual Physical Exams
- Virtual Wellness Coach to get you started with weight loss and exercise

How do I get started?

Using PRIME is as easy as downloading the App and pressing the orange button to be connected with a Care Navigator.

Do I need an appointment?

Preventive Care/Chronic Care – Yes you do! Let us know you are coming so that we can ensure we have the vaccinations or labs you require on hand.

Urgent Care – You can call ahead or walk right in. But it is always faster when you let us know you are coming.

I already have a Primary Care Doctor, can I use PRIME for anything?

If you have a health concern when your PCP is unavailable, use PRIME! At the end of your appointment, we will send a summary of your office visit to your Primary Care Physician.

What if I need lab work, durable medical equipment or a vaccine?

Many common labs, vaccines, and Durable Medical Equipment (DME) are included with your Next Level PRIME membership.

How do I schedule my Annual Physical?

Let your Care Navigator know that you would like to be seen for your annual physical. One of our PRIME providers will perform your intake virtually before scheduling your physical at one of our locations. Physicals can be performed between 9am-9pm, 7 days a week.

I have a health concern but its after 9pm? Can you help?

We are available 24/7 to assist you with any questions or concerns you may have, including access to a healthcare provider for telemedicine overnight.

What if I have a serious medical condition?

If we determine that your condition requires a specialist, we will refer you to a specialist IN NETWORK with your insurance. If your condition is emergent, we will send you to the nearest emergency room.

Our PRIME Program takes Annual Exams to the Next Level.

Next Level PRIME is all about developing a new patient-centric approach to health and wellness, starting with the Annual Exam. Instead of the typical rushed, impersonal physical, **Next Level PRIME** provides patients an elevated experience that's more in-depth and personal. Plus, **PRIME** offers more convenience, with virtual visits, multiple locations, and extended business hours.

Check out our new annual check-up procedure:

Step

1

Virtual Visit with your Prime Provider, where you can discuss your medical history, any health changes, and voice any concerns.

Step

2

Visit any of our Next Level Urgent Care locations for an in-person exam and to have labs taken.

You can schedule this through Prime's Care Navigator, and this visit can take place any day of the week between 9 a.m. and 9 p.m.

Step

3

Final Virtual Visit with your Prime Provider to go over the results, discuss any risk factors and devise a wellness game plan for the coming year.

This is an in-depth meeting, where you can have a thorough, detailed discussion about your health, and won't feel rushed at all.

Schedule your Next Level Prime Annual Physical today through the Care Navigator on the Next Level app.
